We are unable to accommodate any individual changes, additions or amendments to the specification, layout or plans to any individual home. Please note that it may not be possible to obtain the products as referred to in the specification. In such cases a similar alternative will be provided. Beechwood Estates and Development Ltd reserve the right to make these changes as required.

A management company has been formed at The Birdlings and will be responsible for the management and maintenance of the external communal areas on the development, including the unadopted roadways, paths and landscaping. All homeowners will become members of the management company when they purchase their property at The Birdlings. A managing agent has been appointed to take on these maintenance responsibilities and an estate charge will be payable by each homeowner for the services provided.
